Funding for PhD studentships and project grants (including shorter, proof of principle projects such as pilot studies of up to one year) that have relevance to one or more type of muscular dystrophy or a related neuromuscular condition are offered.

[Networks to build interdisciplinary communities to address air quality challenges at the indoor/outdoor interface](#)

Deadline: 5 December 2019 (EOI)

Proposals for interdisciplinary networks to deliver new knowledge at the interface of indoor/outdoor air quality, exposure and health impacts.

UCL INSTITUTE OF CHILD HEALTH

[PhD studentship at ICH](#)

Deadline: 29 November 2020

“Identification of novel surface antigen targets for CAR T cell strategies in paediatric Acute Myeloid Leukaemia stem cells” with Prof Persis Amrolia.

[Collaborative Awards in Humanities and Social Science](#)

Deadline: 7 January 2020

Up to £1.5M for 3-5 years. N.B. this is the final round for this funding stream.

[Research Fellowships for Health Professionals](#)

Deadline: 7 January 2020

Aimed at health practitioners who must do either a PhD programme (independently enrolled at the time of this fellowship) or a project at a postdoctoral level (must have a PhD) into improving an understanding of health and disease using humanities or social science methods.

[Research Fellowships in Humanities and Social Science](#)

Deadline: 7 January 2020

Postdoctoral researcher who wants to carry out an extended period of research on your own project.

[Clinical Research Career Development Fellowships](#)

Deadline: 4 February 2020

Aim at healthcare professionals who want to balance clinical work with a research career. Must have been awarded a higher degree (PhD or equivalent).

[Research Development Awards in Humanities, Social Science and Bioethics](#)

Deadline: 3 March 2020

Up to £1M for 3-5 years

[Sir Henry Wellcome Postdoctoral Fellowships](#)

Deadline: 15 April 2020

£300,000 for up to 4 years. Must be in final year of PhD or in early stages of postdoctoral research.

[Clinical Research Training Fellowships and PhD studentships at the CRUK City of London Centre](#)

Deadline: 29 November 2019

2020 recruitment for 3 year Clinical Research Training Fellowships and 4 year PhD studentships is now open. Exceptional clinical and post graduate trainees to carry out multi-disciplinary research projects with a focus on cancer biotherapeutics are sought for.

[Children and Young People's Cancer Innovation Award](#)

Deadline: 10 January 2020

Up to £1M for 3 years available supporting novel and innovative approaches to childhood cancer research. To apply, you should **contact the CRUK office before 6 December 2019** to discuss the process and to open an online application form.

Events, workshops, announcements

NIHR | Research Design Service London
[Research Design Service drop-in session](#)

3 December 2019, 11:00-13:00
Lower Ground Floor Seminar Room (ICH)

Grants Advice team are changing ways of announcing funding opportunities to you!

We will be uploading a “Master list” of relevant funding opportunities on our website as well as continuing to highlight new or upcoming funding opportunities in our R&I bulletin. You can find all relevant information about funding and support we provide on [our website](#).

Please ensure you acknowledge the BRC in your publications. NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
