N.B.: Our accredited repertoire can be accessed from <https://www.ukas.com/download-schedule/8661/Medical>

All unstained sections **must** be submitted on adhesive microscope glass slides (charged slides). Unstained sections on standard microscope glass slides will **not** be processed and will result in delays.

Frozen sections must be submitted on dry ice.

Mega slides are not acceptable. Mega blocks must be accompanied by a marked H&E.

If interpretation is required, please download, and complete the Reporting / Second Opinion request form, available from the website.
